Septage Transporter Disposal Information

Does this vehicle transport any wastes other than household septic tank wastes?

Yes _____ No _____

If yes, list the other types of wastes transported by this vehicle (i.e., chemical wastes, oil and grease, used motor oil, etc.), where they originate from, and the disposal location.

Type of Waste	Name, Address, and Type of Non-Domestic Customer	Disposal Location

Note: If more than one vehicle is used, include information on all other vehicles on a separate application.

**Dumpsite Use Conditions
of the
City of Maryville
Regional Wastewater Treatment Plant**

1. The dumpsite must be kept clean. It is the responsibility of the septage transporter to clean the dumpsite after each discharge.
2. The septage transporter must report to the Shift Operator at the Wastewater Treatment Plant prior to discharge at the dumpsite.
3. Use of the dumpsite is restricted to daylight hours only, seven day a week.

I understand the above conditions concerning use of the City of Maryville Regional Wastewater Treatment Plant dumpsite. I also understand that violation of these conditions may result in suspension or revocation of my Septage Transporter Permit.
